♦ The dates of the “small” tests will be determined after the registration period depending on the number of the students registered for these exams. If there are **less than 30 students** registered, the exam will take place in the time **between January 10th and January 14th** and the **date will be determined by the lecturer** (In case these dates are missing on the examination schedule, please ask your lecturer).
With **more than 30 students** it will take place in the time **between January 18th and January 25th** and the date will be determined by the examination committee.

As dates/times/rooms may change please check the examination schedule regularly. * Date has changed ** Time has changed!
